(at last!)

Well, here we are with the first Newsletter of the 70-71 Session. It's a bit late in coming but at least it's here now. The purpose of this shoddy example of journalism is to provide you, the College member, with an insight as to what is happening within the dark and mysterious realms of your Council's plans. It is not the product of hours of careful thought and deliberation, but instead a quick attempt to 'clue you in' to the Craigdarroch scene.

So, with those conditions in mind, read on;

Centennial Film Festival

Through lots of hard work and organization, Dr. Lai has managed to arrange a series of approximately 30 films to be shown dealing with British Columbia and its centenary. The films cover the history, scenery, development and recreational aspects of our province in its centenary year. The program begins on January 7th at 12:30 and will continue weekdays at noon-hour 'till February 19th. The shows are free and provide an excellent cross-section of B.C. life, so, bring a lunch, bring a friend, and enjoy an entertaining noon-hour in Craigdarroch 208/209, the Commons Block. You will receive a schedule of the films with the next Newsletter. See you there!

Computer Dance

Rick Paterson has organized a Computer dance for December 5th. The forms are enclosed with this Newsletter and, when completed, can be left in either the College Office or at the special desk provided in the Commons foyer. Music will be by 'Strong Hold' starting at 9 p.m. and going to 1 a.m. The dance will be licenced. Tickets will be available from Mrs. Nasser at \$2.00 a couple or \$1.00 stag. Everyone is welcome and form application is not necessary for attendance. Details on computer selection will be included on the forms.

Cultural Affairs Program

This year the Cultural Affairs committee has undertaken to put on four programs all concerned with creating a 'cultural awareness' of different aspects of life. These informal panel discussions will cover a variety of topics.

The next presentation of this committee will be on the 18th November in the Craigdarroch Seminar/Lounge (Commons Block) at 7:00 p.m. The subject will be 'South America: Its people, problems and politics'. Panel members will consist of two students from UVic, one history professor with special interest in the area and a recently returned C.U.S.O. volunteer. Opportunity will be provided for audience participation and questions. Come and clear up those misconceptions, learn new facts and join in. See you there!

Watch for programs on 'Must Music Die?', 'China' and 'The Middle East' upcoming.

Chinese New Year Celebrations

Once again Craigdarroch will be co-hosting the Chinese New Year's celebrations on January 23, 1971. The program will begin with a three-course dinner at 8:00 p.m., followed at 9:00 by a Chinese musical performance and ceremonial dancing. At 10:15 the dance begins which will last 'till 1:00 a.m. There will be door prizes to the lucky winners of the draw. The prizes are gift dinners at Peking House, ranging from a full six-person dinner to a cozy meal for two, with exquisite Chinese cuisine. The price for such a marvelous evening? A mere \$2.00 per person! So, come and enjoy yourself and help celebrate New Year twice!

Residence Christmas Dinner

This gala feast is set for Friday, December 11th. Tickets for non-residents are available for \$2.00 a person.

Hockey Schedule

College hockey is in full swing. Here's the schedule. Clip and save.

New Non-Resident Council Members

Chris Considine

Chris comes to U.Vic from University school here in Victoria. He is in first year aiming at an Honours degree in Political Science. On the Council, Chris shares communications responsibility with Mike Martin and also works on the Cultural Affairs committee with Dr. L. Adey and Brian Neal. He can be contacted regarding ideas or proposals at 592-3049 or through the College general office.

Michael Martin

Mike comes to us from Vancouver and is a graduate of Point Grey High. He is in his first year at U.Vic and is as yet undecided concerning specialization in his B.A. Mike's interests lean heavily toward track and field and communications, so he shares the communications post on the Council with Chris. Want an event or meeting publicized? He's your man at 477-3863 or via Mrs. Nasser in the general office.

Brian Neal

Brian comes to the College scene indirectly from Claremont High School in Saanich. He spent last year as an exchange student in Chile and travelled extensively throughout South America. His interests lead towards a Law career and is enrolled in first year with proposed majors in Economics and Political Science. He shares the responsibilities of the Cultural affairs committee with Dr. L. Adey and Chris Considine. Got any ideas for speakers? He'd like to hear them. He can be contacted at 656-3771 or through the College office.

Rick Paterson

Rick is our renowned organizer of such events as the "Bunny Bash" and the up-and-coming "Computer Dance". He is also the man responsible for all those cool posters that mysteriously disappeared. He is now in his second year at U.Vic and taking a general arts program. His official position on the Council is that of Social Activities Co-ordinator. Rick is always looking for new ideas and help to organize these events, so, if you have any bright suggestions, you can contact him at 479-7230 or through the general office.

Janice Perry

Janice's home-town is Cranbrook, B.C., although she resides here in Victoria. She is in her third year at U.Vic working towards a B.Ed. In past years Janice has acted as Social Co-ordinator at her high school and participated widely in extra-curricular activities. On the Council Janice occupies the position of recording secretary and provides the minutes for our meetings.

Steve Strong

Steve is a recent arrival from the U.S.A., Oregon to be exact. He is currently enrolled in his second year of University undertaking a Fine Arts program for a B.A. Mus. Last year Steve was president of his University's Chess Club and a member of the varsity tennis team. He is most interested in organizing chess and bridge tournaments, so if you would like to get something rolling along these lines, give him a call at 592-4957 or leave a message with Mrs. Nasser.

The Craigdarroch Council is there to serve you, the members, and to present your ideas at meetings. If you have any comments on procedure, questions about events or ideas on future plans of action, by all means let us know.

Participate in College Functions! That's why we planned 'em!

This has been a Brian Neal-Chris Considine production.
